

Generational Profiles

Purpose

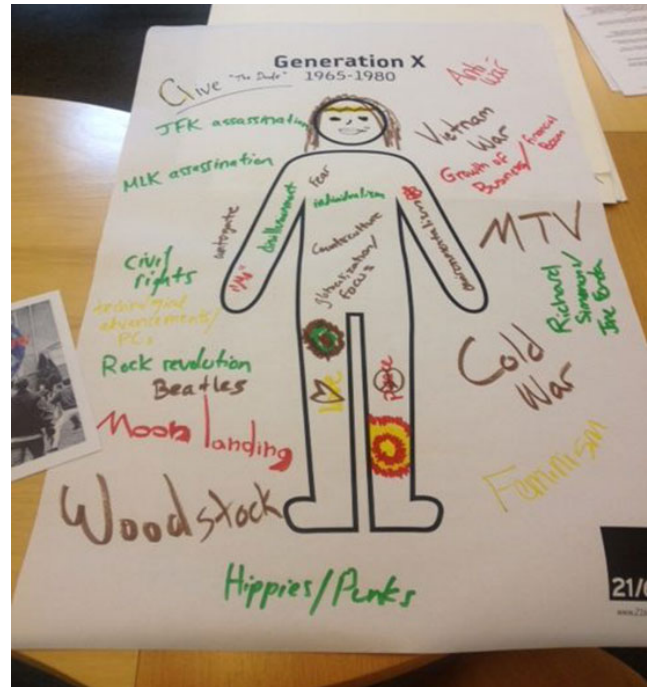

The generational lens of each person within a system informs who they are and how they see the world. Learn to see through a multi-generational framework in an effort to help multiple generations work effectively.

Objectives

- To understand attitudes, behaviors, and events of multiple generations
- To understand our blind spots

Generations

- Traditionalist, Born 1928-1945
- Baby Boomer, Born 1946-1964
- Generation X, Born 1965-1980
- Generation Y/Millennial, Born 1981-1996
- Generation Z, Born 1997-2012
